RAPID PROGRESS OF THE INDIAN BRANCH.

In proof of this it may be mentioned that the Indian Branch of this Office alone, without any claim whatever to the support of the public beyond that arising from a simple statement of facts, has, in about sixteen years, issued Policies assuring nearly EIGHT MILLIONS sterling. This is ample evidence that the public have pronounced in favour of the low Premiums and general liberality of the terms INTRODUCED by this Company for India. It is estimated that the local New Business of the ALBERT annually exceeds that of all the other European Offices in India put together.

The Company transacts the business of the following Indian Banks:—Delhi and London, Simla, Punjaub, United, Uncovenanted Service, Agra Savings, Mussoorie Savings, Oude and United Service, Oude and Allahabad Banks.

Rates of Premium for India, with Forms of Proposal, may be obtained from the Secretary, at the Head Offices, as above, or at any of the Branches or Agencies in this country or in India.

CIVIL SERVICE FURLOUGH AND ABSENTEE RULES, 1868.

INDIA OFFICE.—27th July, 1868.

The Secretary of State for India in Council, having confirmed the following rules promulgated by the Governor-General of India in Council, regarding leave of absence to covenanted civil servants, publishes the same in supersession of all previous rules and orders on the subject.

These rules will take effect from the 1st July, 1868, and are not intended to apply to covenanted civil servants who are members of the Councils of the Governor-General, or of the Governors of Bombay and Madras, or who are judges of a high court.

RULES REGARDING LEAVE OF ABSENCE TO COVENANTED CIVIL SERVANTS.

DEFINITIONS.

1. In the following Rules,

"Actual Service" includes the period during which an officer is on duty, also periods spent on Privilege and Subsidiary Leave, and periods during which an officer, not on leave, may be out of employ on subsistence allowance in India.

"Extraordinary Leave" means any leave granted otherwise than under these Rules.

"Long Extraordinary Leave" means extraordinary leave extending beyond a period of three months.

"Long Furlough" means furlough extending beyond a period of three months.

"Salary" includes acting allowances.

An officer's "Station" means that station to which he stands appointed, or such other place as the Government to which he is subordinate may determine.

CHAPTER I.

FURLOUGH.

2. The maximum period of furlough which can be granted to any officer during the whole period of his service is limited to six years.

3. Subject to the above limit, furlough shall be placed to the credit of each officer, at the proportional rate of one year's furlough for every four years of actual service.*

4. No furlough shall be taken before the completion of eight years' actual service, except under Rule 8.

5. Furlough shall not be repeated until three years from the date of the last return from Long Extraordinary Leave or Long Furlough, except under Rule 8. Leave taken under Chapters II. and III., but no other leave, shall be reckoned as part of the said three years.

6. The maximum term of furlough to be taken at any one time shall be two years.

7. Except as hereinafter provided, an officer, when on furlough, shall retain a lien on his substantive appointment, or on an appointment of similar character and not less salary, and he shall be granted allowances at the rate of 50 per cent. of his average salary for the previous three years, or for the period which has elapsed since his last return from Long Furlough or Long Extraordinary Leave, if that period be less than three years.

In calculating such average, the time spent and the allowances drawn under any leave, excepting Privilege Leave under Chapter II., shall be omitted.

Provided that no officer on furlough shall draw more than £1,200, or less than £300 per annum.

8. Under medical certificate—

(*a*) Furlough may be taken on the abovementioned conditions without reference to the amount at credit under Rule 3.

(*b*) Furlough for a period not exceeding one year may be taken, even if less than three years have elapsed since the last return from Long Extraordinary Leave or Long Furlough. When on furlough under this clause, an officer will not retain a lien on his appointment, and will be entitled only to subsistence allowance, *unless he has completed six months' actual service since his last return from Long Extraordinary Leave or Long Furlough, and there remain some leave to his credit under Rule 3, in which case the officer will retain a lien on his appointment, and will draw allowances as calculated under Rule 7, until that credit be exhausted, but in no case for a period exceeding one year.*

(*c*) Furlough taken without medical certificate, or under clause (*a*) of this Rule, may be extended beyond two years for a period not exceeding one year. When on furlough under this clause, an officer will not retain a lien on his appoint-

* A Civil Servant who has taken leave on medical certificate under leave rules prior to those of 1868, will not be debited with such leave, up to the limit of one year, against furlough which would otherwise be at his credit. All such leave shall, however, be included in the maximum amount of six years fixed in Rule 2 of the Rules of 1868.

ment, and will be entitled only to subsistence allowance.*

9. Furlough taken or extended under Rule 8 is subject to the provision of Rule 2.

10. Furlough taken in India will be reckoned from the date of the officer quitting his station to the date of his return thereto. Furlough taken out of India will be reckoned from the date of embarkation to the date of return.

In the event of the furlough being taken partly in India and partly out of India, the commencement and termination of the furlough will be determined by the above rules, according as the furlough begins or ends in or out of India.

11. For the interval elapsing between departure from his station and the commencement of furlough, and between the termination of furlough and the re-arrival at his station, an officer shall be allowed subsidiary leave not ordinarily exceeding in each case thirty days. During those periods his allowances will be calculated in the same way as his furlough allowances, but without limitation as to maximum and minimum. Provided that, if the officer has, under these rules, lost his lien on his appointment, he shall draw subsistence allowance of his rank. Subsidiary leave shall count as service and residence.

12. Applications for furlough will in all cases be submitted to the Government to which the applicant is subordinate, and will be dealt with in such manner as the Governor-General of India in Council may from time to time prescribe.

13. Subject to the exigencies of the service, both as regards the number of furloughs available at any one time, and as regards individual applications, of which exigencies the Government of India, Madras, or Bombay, as the case may be, shall be exclusively the judge, furloughs will be granted under these rules.

14. All applications for furlough under medical certificate, in accordance with these rules, will be granted without restriction.

15 If, owing to the exigencies of the service, it may be necessary to place any limit on the number of officers who may be absent on furlough at the same time, applications not supported by medical certificate will be granted in the following order:—

The applicant to whose credit the greatest amount of furlough remains under Rule 3 shall have the preference.

If two or more applicants are on an equality in this respect, the preference shall be given to the applicant whose actual service in India is longest, reckoning, in the case of an officer who has not taken long extraordinary leave or long furlough, from the date of arrival in India, and in the case of an officer who has taken long extraordinary leave or long furlough, from the date of his last return from such leave or furlough.

If two or more applicants are equal in both respects, the preference shall be given to the senior in the Gradation List.

16. The term of *residence* qualifying for pension shall be twenty-one years, but no leave, except privilege leave and subsidiary leave, shall count as residence.

17 The term of *service* qualifying for pension shall be twenty-five years.

CHAPTER II.

PRIVILEGE LEAVE.

18. Subject to the exigencies of the state, an officer who has completed eleven months' continuous duty may take privilege leave for one month without deduction from his salary, retaining a lien on his appointment whether substantive or officiating. Provided that, in the case of his holding an officiating appointment, such lien and his acting allowance will cease on the resumption of charge by the officer to whom the substantive appointment belongs.

19. In the same manner, and under the same conditions, two or three months' privilege leave may be taken when an officer has completed continuous duty of twenty-two or thirty-three months respectively.

20. Privilege leave may, at the discretion of the local Government, be taken in separate instalments. No second instalment shall be taken until after the completion of six months' continuous duty from the expiry of the first instalment. In this case, the eleven months qualifying for fresh privilege leave will be reckoned from the expiry of the first instalment, the period of the second instalment being omitted from the calculation.

Provided that the whole privilege leave taken at any one time shall not exceed three months, and that no accumulation of privilege leave beyond that period shall be admitted.

21. If an officer shall over-stay his privilege leave, he shall forfeit all salary during the time of his remaining so absent; and, if he shall so continue absent for more than one week, his office shall become vacant.

22. Privilege leave shall be reckoned as residence and service.

---

* The rates of subsistence allowance are:—

	Per Mensem.
For a Civil Servant of 12 or more years' standing	Rs. 400
For a Civil Servant of more than 8 but less than 12 years' standing	Rs. 320
" " of not more than 8 years' standing	" 250

CHAPTER III.

SPECIAL LEAVE.

23. Special leave, on urgent private affairs, may be granted at the discretion of the local government for a period not exceeding six months. In respect of retention of a lien on appointment, of allowances drawn during the leave, and of subsidiary leave, the conditions of special leave shall be the same as those prescribed for furlough. Special leave shall not be reckoned as residence.

24. Rule 21 shall, *mutatis mutandis*, apply to an officer over-staying special leave.

25. Special leave may be repeated without allowances after intervals of at least six years' actual service.

CHAPTER IV.

GENERAL.

26. Furlough, privilege leave, and special leave shall not be taken as such in continuation of each other; but, if an officer absent on one of these classes of leave be allowed to change it for another, the whole period of his absence shall be held to be under the class of leave for which it was changed.

27. Subject to considerations of State, there will be no restriction as to the places where an officer may reside when on leave.

28. Leave allowance shall be payable monthly, if payment is taken in India, and quarterly, if payment is taken in England.

CHAPTER V.

TEMPORARY RULES.

29. Whatever aggregate amount out of the three years' furlough and three years' sick leave under the rules until now in force, at present remains to be taken by an officer under the said rules, shall remain to be taken by him under rules now promulgated.

30. Any officer now in the service shall, when next proceeding on furlough, elect whether he will draw allowances at the higher minimum rate of 500*l.* per annum (not exceeding his total salary at the time). If he shall so elect, he will, in any future furlough, be limited, as to allowance, to the lower maximum rate of 1,000*l.* per annum.

31. Any officer now absent on leave, who has no appointment, may, on his return, and until he again holds an appointment carrying equal pay to that of the substantive appointment which he last held, draw the subsistence allowance of his rank, together with 75 per cent. of the pay of any appointment in which he shall officiate. Provided that the total salary so drawn by him shall not exceed the pay of the appointment in which he is officiating. This rule shall apply to any officer who may have already returned from furlough.

32. Any officer now absent on furlough, or under medical certificate, may elect whether the remainder of his leave shall be taken under these rules from the date of their promulgation. If he shall so elect, Rule 30 shall not apply to him.

Rules regarding Acting Allowances.

1. An officer holding a substantive appointment, and officiating in an appointment of a higher grade or class, shall draw acting allowance calculated at 30 per cent. on the first Rs. 2,000, and 20 per cent. on the remainder of the pay of the appointment in which he is officiating.

Provided that, if the acting allowance so calculated do not amount to two-thirds of the difference between the pay of the two appointments, it shall be raised to two-thirds.

Provided further, that in no case shall the whole salary so drawn exceed the pay of the appointment in which the officer is officiating.

2. An officer holding no substantive, but only an officiating appointment, shall, subject to the provisoes in Rule 1, draw, in addition to the subsistence allowance of his rank, 50 per cent. of the pay of the appointment in which he is officiating.

3. In the case of an officer officiating in an appointment the pay of which is progressive, his acting allowances shall be calculated on the mean pay of the said appointment, provided that the whole salary so drawn shall not exceed the minimum pay of the said appointment.

MILITARY FURLOUGH REGULATIONS OF 1796.*

Officers (of whatever rank) must be ten years in India before they can be entitled (except in cases of certified sickness, and as hereafter specified) to their rotation to be absent on furlough, and the same rule is applicable to assistant surgeons and veterinary surgeons. The furlough to be granted by the commander-in-chief at each presidency, with the approbation of the respective governments.

Officers who have not served ten years in India, but whose presence in England is required by urgent private affairs, may be allowed a furlough for one year without pay.

* These Regulations do not apply to officers who entered the service after the 1st of February, 1854.—Vide Military Furlough Regulations of 1854, p. 21.

Digitized by Google

Officers coming to England on furlough are required immediately to report their arrival by letter, with their address, forwarding at the same time the certificates they received in India.

The period of furlough is three years, reckoning from its date to the day of the return of the officer to his presidency.

Officers are required to join the establishment to which they belong at the expiration of the three years' furlough, unless they shall have obtained an extension of leave, six months before the expiration of that period. No furlough will be extended, except in cases of sickness, certified in the manner hereafter mentioned; or in cases in which it shall be proved that a further residence in Europe is indispensably necessary.

All officers finding it necessary to solicit a further leave of absence on account of sickness, must, if resident in London or its vicinity, appear before the Medical Board appointed for that purpose, who will report their opinion on the state of such officer's health. And if resident in the country in any part of the United Kingdom, they must transmit with their letter of application for such leave, a certificate according to the following form, signed by at least two gentlemen, eminent in the medical profession, viz.:—

I hereby certify, that I have carefully examined (state the nature of the case, as well as the name of the party), and I declare, upon my honour, that, according to the best of my judgment and belief, it is at present unfit for military duty, and that it is absolutely necessary, for the recovery of his health, that he should remain at least longer in this country.

Also, previously to such extension of furlough being granted, such further proof shall be adduced by personal examination, or by such other evidence as shall be deemed satisfactory.

Officers abroad in any part of Europe, applying to remain a further time from their duty on account of sickness, are to furnish a certificate of two eminent physicians, *in the above form*, with the attestation of a magistrate, that the persons who signed the certificate are physicians.

Officers having obtained an extension of furlough to a given period, must at its expiration apply for permission either to return to their duty or to reside a further time in England.

In every case in which an officer has had his furlough extended beyond the prescribed period on the ground of his health not being sufficiently restored, and shall apply for permission to return to his duty, he shall produce a certificate from the examining physician that his health is completely re-established, and that there is every probability of his being able to perform the active duties of his profession in India.

No officer who has failed to obtain an extension of furlough will be considered eligible to return to the service after five years' absence, under the Act of 33 Geo. III. cap. 52, sec. 70.

Every officer upon leaving India will receive a printed copy of the General Order on this subject, published agreeably to the instruction of the Secretary of State for India in Council, and the plea of ignorance of the regulations will not be admitted as any justification of the breach of them; officers, therefore, who shall come home on furlough, and who shall not in due time apply, so as to effect their return to the Presidency to which they belong within the period of three years from the commencement of their furlough, will subject themselves to the loss of the service, unless they shall be permitted to remain a further time in Europe.

No officer on furlough can receive pay for more than two years and a half from the period of his quitting India until he returns, excepting colonels of regiments and general officers; the latter are then allowed to draw the pay of their brevet rank beyond the above period.

MILITARY FURLOUGH REGULATIONS.—Nov. 17, 1854.

With the view of adapting the regulations to the present increased facilities of communication, and to correct, as far as possible, any tendency in them to deter officers from resorting to the places which may be most conducive to the restoration of their health, when a change of climate is required for that purpose, the following rules are established, and are to have effect from the 1st February, 1854:—

1. All regimental officers in the service on the 1st February, 1854, who prefer retaining what may be considered the advantages of the old regulations, may do so, provided they signify their wish to that effect when they next apply for furlough or leave of absence, without any limitation whether such leave be in India or elsewhere; and officers who once make their election will not be entitled to any other choice, but will be afterwards subject to the new or old regulations, according to their decisions.

2. Staff officers, as such, have not the above option allowed them, but they may retain the advantages of the old regulations by giving up their appointments, which, in such cases, will be considered vacated from the date of embarkation.

3. To those officers who adopt them, the new regulations will apply retrospectively in respect of furlough and leave of absence beyond sea, and in computing their time of service for retirement, so that their furloughs or leaves of absence, whether under the old or the new rules, and whether on private affairs or sick certificate, within or beyond India, will count for service to the authorized extent only, in computing the time for retirement on full pay.

Digitized by Google

4. Officers who have availed themselves of the option of the old rules are allowed to reconsider the question under the modifications now sanctioned.

5. Officers who have not taken leave subsequent to the publication of the new rules on the 1st February, 1854, and who, consequently, may not have been called upon to declare whether they would abide by the old or the new regulations, will, on retirement from the service, be entitled to take full advantage of the privileges given by the new regulations.

FURLOUGHS ON PRIVATE AFFAIRS.

6. Every officer will be allowed a furlough to Europe, or elsewhere beyond sea, for a period of two years at the expiration of ten years' service, and for a second period of two years after twenty years' service in India.

7. The second furlough of two years will only be granted after ten years' service in India, from the date of the return to duty after the first furlough of two years. These furloughs are not to be cumulative, under any circumstances, but are limited to two years. Officers who have taken leave of absence on sick certificate to Europe, or elsewhere beyond sea, will be ineligible to a furlough on private affairs until they have served six years from their last return to duty. This rule does not apply to short leaves to sea.

Officers who take their first furlough after twenty years' service in India, may take their second furlough after an additional service of five years from the date of their first return to duty. (G.O. 16 June, 1856.)

8. All grants of furlough on private affairs are subject to the exigencies of the public service, and to the regulations framed for the preservation of the efficiency of each regiment by limiting the number of absentees.

9. Officers holding staff or other detached appointments, may be allowed furlough for a period of six months without losing their appointments; but, during that period, they will not be entitled to any portion of their staff salary, which will be drawn in full by the officers officiating for them.

Absence for six months under this rule does not preclude an officer from taking his furlough to Europe after ten years' service. (G.O. 16 June, 1856.)

10. All officers, whether staff or regimental, while on furlough on private affairs, will be entitled to "Furlough Pay" only.

LEAVE OF ABSENCE ON SICK CERTIFICATE.

11. Leave of absence on sick certificate will be granted for a term not exceeding eighteen months, whether it be to any place in Europe, or elsewhere out of India.

12. Extensions of such leave may be granted, as at present, on production of medical certificates, for further periods not exceeding eighteen months in the whole.

13. An officer holding a staff or other detached appointment, will be allowed to be absent on sick certificate in England, or elsewhere beyond sea, for a period of twenty months, without losing his appointment; and, during the first six months only of such absence, he will be entitled to draw half the staff salary of his appointment, the officer officiating for him drawing the remaining half salary during the first six months, and the whole salary during the remainder of the time.

14. An officer's claim to half staff salary for six months, as sanctioned in the preceding rule, will not be affected by his subsequently retiring from the service in Europe or elsewhere.

15. No portion of command allowance, medical staff salary, or other similar allowance, which under the old rules was inadmissible to officers absent from their corps or stations, at the Cape or elsewhere, will be allowed to absent officers under these regulations.

16. All officers, whether staff or regimental, while on leave of absence on sick certificate, will be entitled for a period of six months to the same rate of Indian pay and allowances as was allowed under the old regulations to officers proceeding to the Cape on medical certificate, and for the remaining period of their leave they will receive furlough pay only.

17. If the leave on sick certificate be extended, furlough pay will be continued; but under no circumstances for a longer period than three years altogether, from the commencement of the absence.

STAFF OFFICERS.

18. The term, "staff officers," applies to all officers holding staff or detached appointments, military (general or regimental), political, or civil; also to general officers commanding divisions, members of the Medical Board, superintending surgeons, and others who, under the old rules, were entitled to draw half staff allowance when absent at the Cape.

19. Staff officers absent on leave beyond the periods stated in Rules 9 and 13 respectively, cannot retain their appointments and allowances except on special grounds to be sanctioned by the Government of the presidency. Any such special grant of leave is to be reported at once, with the reasons for it, and to be subject to approbation.

20. The privilege of retaining staff appointments during leave of absence on sick certificate, or on furlough on private affairs, will not be available a second time, if the

Digitized by Google

fresh leave is on sick certificate, until an officer has been three years, or, if on private affairs, until he has been six years, in the discharge of the duties of his appointment, from the date of last return to it.

21. This rule, however, does not apply to leaves of absence, whether on sick certificate or on private affairs, in India, or for brief periods to Ceylon, the Mauritius, or other places out of India.

22. Officers commanding troops of Horse Artillery and Light Field Batteries, and officers generally in employment, will be allowed leave out of India under the same rules with respect to allowance and tenure of command or office, as regulated the grant of leave to the Cape to such officers under the old regulations, except as to the duration of those advantages, the time for their continuance being subject to the provisions of the new regulations.

DATE OF FURLOUGH AND ADVANCES OF PAY.

23. The period of furlough on private affairs, or leave of absence on sick certificate, is to be calculated from the date of the departure from India of the ship in which the officer proceeds.

24. Advances of pay and allowances, staff and regimental, to officers proceeding on leave of absence on sick certificate, who may be entitled to them, will be made in India for three months from date of embarkation. Payments in continuation will be made in England at the rates of exchange fixed annually for repayment of advances made on account of Her Majesty's Government. Furlough pay will continue to be issued in advance for six months when required by officers obtaining furlough on private affairs.

25. The existing regulations regarding passage-money to officers are not affected by these rules.

26. The certificates issued to officers who are granted furloughs on private affairs, or leave of absence on sick certificate, are to specify the time each officer has been absent on leave within Indian limits, as well as the time of his previous absence in Europe; but will not include the periods allowed for proceeding to the presidency or port of embarkation, and to enable officers to rejoin their regiments or stations after their return to India, nor the leave of one month's absence in six months, as authorized by the regulations. The last pay certificate of all officers proceeding to England on sick certificate is to specify the rate of regimental pay and allowances and staff salary to which they would have been entitled under the old regulations if proceeding to sea on medical certificate. This information is necessary in order that no difficulty may arise in the Pay Department of the India Office in adjusting the several payments which may be due.

OFFICERS OF H.M.'S SERVICE.

27. Officers of Her Majesty's service in India, whether employed regimentally or in staff or detached situations, are entitled to the advantages above laid down in respect to allowances and tenure of office when on furlough or leave of absence.

28. In the case of officers of Her Majesty's service on furlough or sick certificate, in England or elsewhere, who may retire or exchange into regiments not on the Indian establishment, the grant to these officers of Indian allowances will cease from the date of their retirement or exchange, if it take place before the expiration of six months from the date of quitting India.

PERIODS OF ABSENCE ALLOWED TO BE COUNTED AS SERVICE FOR RETIRING PENSIONS.

29. In order that all officers quitting India on furlough or sick certificate may be placed on an exact equality as regards loss of time, the period allowed by regulation for proceeding to the presidency, or to the nearest port of embarkation, as well as the time to enable officers to rejoin their corps or station after their return to India, will be considered as time counting for service for the retiring pension.

30. No furlough or leave of absence, as announced in General Orders, exceeding two years in twenty years' aggregate service, three years in twenty-five years' service, and four years in thirty years' service, shall be allowed to count as service for the retiring pension; and no difference will be made in this respect between leave of absence taken in Europe or elsewhere, in or out of India, or whether the leave be on sick certificate or on private affairs.

31. In the term "Leave of Absence as announced in General Orders," is to be included all leave of absence, except the period allowed in Rule 29, and the ordinary indulgence of one month's leave in six months, as authorized by the existing regulations, and which are, in all cases, whether of regimental or staff officers, to be allowed to count as service for the pension. All leave to a greater extent, granted by political and other authorities, which may not hitherto have been published in General Orders, must be so announced hereafter.

32. Officers to be entitled to retire on the full pay of their regimental rank (under the regulations of 1796), must have served twenty-two years in India, out of which leaves of absence for two years in the aggregate, and not more, will be allowed to count as service for the retiring pension.

33. Officers to be entitled to retire on the full pay of captains and majors (under the regulations of 1835-37), must have served

Digitized by Google

twenty and twenty-four years respectively; out of which time leaves of absence for two years in the aggregate, and not more, will be allowed to count as service.

34. Officers to be entitled to retire as lieutenant-colonels must have served twenty-eight years; out of which leaves of absence for three years in the aggregate, and not more, will be allowed to count as service.

35. Officers to be entitled to retire as colonels must have served thirty-two years; out of which leaves of absence for four years in the aggregate, and not more, will be allowed to count as service.

36. The scale for medical officers and veterinary surgeons of privileged furlough and leave of absence as counting for the retiring pension, will be as follows:—

Years.	Months.	
1	8	in 17 & under 20 yrs.' service
2	0	in 20 ,, 25 ,,
3	0	in 25 ,, 30 ,,
4	0	in 30 and upwards.

37. It is to be distinctly understood, that under no circumstances whatever will an officer be permitted to retire on full pay until he has completed the *full time of service* above specified, whether he be in England at the close of his service or elsewhere.

38. The privileged time of absence may, with the permission of the local government, be taken at any time, subject to these regulations. If, therefore, at the end of twenty years' service, of which eighteen had been passed on actual duty in India, an officer should be on furlough or sick certificate in Europe or elsewhere, he will be entitled to retire on the full pay of a captain without returning to India, and so in the other terms of service for the higher pensions. In like manner, a medical officer on furlough or sick certificate, in Europe or elsewhere, at the end of seventeen years' service, fifteen years and four months of which have been passed on actual duty in India, will be entitled to retire on the lowest rate pension, without returning to India, and so in the other terms of service for the higher pension.

39. These rules do not in any way affect the existing regulations regarding the grant of leave in India, or for short periods to sea, whether on private affairs or on sick certificate, except as to the periods of such absence being taken into calculation in the time allowed to count as service for retirement on full pay.

INDIAN MILITARY FURLOUGH RULES.—July 1, 1868.

The Right Honourable the Secretary of State for India having, with certain modifications, approved generally of the Rules relative to the absence on leave of Military Officers, published in Government General Order No 613, dated 19th June, 1868, the following revised rules are published in substitution of those contained in the order above referred to.

These rules will be applicable to all officers who may elect to adopt them belonging to the several Indian Staff Corps or to the Indian Army, and in regard to the period of leave of absence during which appointments may be held, and in regard to the increased allowances, they will also be applicable to officers of the Royal Artillery and Royal Engineers, late of the Indian Army, holding permanent staff appointments not of a regimental nature.

To obviate confusion or misconception as to the rules referred to, those previously in existence and those now sanctioned will be severally designated as the Furlough Rules of 1796, of 1854, or of 1868.

The term "Furlough Pay" having now a changed and twofold signification, in all future orders and references "Furlough Pay" will be understood as the half Indian salary within the prescribed limits, specified in paragraph 5 of these rules, converted at the exchange of two shillings for the rupee, whilst "English Furlough Pay" will represent the rates heretofore allowed to the several grades as English pay under the Rules of 1796 and 1854.

1. The distinction with respect to allowances hitherto drawn between furlough on private affairs and sick leave is abolished, both kinds of leave being included under the general term *furlough*, provision, however, being made for the obtainment of furlough under medical certificate, without all the restrictions applicable to furlough when taken without medical certificate.

2. Leave taken under the rules now prescribed will not involve forfeiture of appointment, except in the cases herein specially provided for.

3 The rules now prescribed do not affect the provisions of Act XXXIII. of George III., Chapter 52, Section 70; but an absentee cannot retain his appointment and draw absentee allowances, except under the

Digitized by Google

rules now prescribed.* Nor do they affect the regulations by which general officers commanding divisions and brigades can only obtain limited periods of leave without forfeiting their commands.

4. Leave of absence will, in future, be of three kinds, viz.:—

1. Furlough in or out of India.
2. General leave on private affairs or sick certificate in India or short leave to sea.
3. Privilege leave.

CHAPTER I.

FURLOUGH.

5. An officer drawing staff pay in addition to pay of rank, proceeding on furlough, will be allowed pay at the rate of 50 per cent. of the salary of his substantive office. But an officer on civil employ, and drawing consolidated salary, will be allowed 50 per cent. of the average salary drawn by him for three years prior to his proceeding on furlough. No absentee shall, in either case, draw more than 1,200*l.* or less than 250*l* per annum. The term "salary" will signify the total amount drawn by an officer, whether as consolidated pay or staff allowances in addition to pay, but will not include any extra or special allowances. It is to be clearly understood that an officer absent on furlough, who may be transferred to another office during his absence, shall be entitled, for the entire period of his furlough, to pay at the rate sanctioned to him when leaving India, provided that an officer whose term of office shall lapse during his furlough shall cease to draw his half staff salary from the date of such lapse. An officer will also be entitled to the benefit of his promotion to a higher staff corps or regimental rank whilst on furlough, subject to the maximum limit.

Officers not in staff employ will receive half the Indian pay of their rank, provided that in no case will an officer entitled to furlough receive less than the above minimum of 250*l.* per annum.

NOTE.—Officers who may be entitled to income allowance from the Military Fund during absence in Europe, will draw their half salary or minimum absentee allowance under the foregoing clause, subject to a deduction equivalent to the amount of such income allowance.

6. All grants of furlough on private affairs are subject to the exigencies of the public service, of which exigency the Government is to be exclusively the judge, and to any regulations that may be found necessary for limiting the number of absentees.

7. The maximum amount of furlough on private affairs to be taken at any one time, carrying pay and retention of appointment, will be two years.

8. A period of at least three years' service after return from last furlough, except furlough under Rule 11, must be completed before furlough can again be taken, unless obtained under medical certificate. (*See* Rules 13 and 14.)

9. An officer will be eligible for two years' furlough on the completion of eight years' actual service in India, for a third year after a further period of six years' actual service, and for a fourth and fifth year after similar intervals of six years. The grant of furlough to an officer eligible for it will be subject only to the conditions specified in Rules 6 and 7. The fact of having taken furlough on medical certificate will not affect the grant of these furloughs, except as to the conditions laid down in Rules 8, 13, and 16.

10. An officer eligible for furlough need not take the whole amount to which his service entitles him, but may apply for any portion thereof as an instalment; and in that case the balance will remain at his credit in any future computation of the amount of furlough to which he may be entitled.

---

* The section referred to is quoted below:—

Section 70. "And be it further enacted, that no person who shall have held any civil or military station whatever in *India*, in the service of the said United Company, being under the rank or degree of a member of Council or Commander-in-Chief of the forces, and who, having departed from *India*, by leave of the Governor General in Council, shall not return to *India* within the space of five years next after such departure, shall be entitled to any rank or restoration of office, or be capable of again serving in *India*, either in the *European* or native corps of troops or in the civil line of the Company's service, unless in the case of any civil servant of the Company it shall be proved to the satisfaction of the Court of Directors that such absence was occasioned by sickness or infirmity, or unless such person be permitted to return with his rank to *India* by a vote or resolution passed by way of ballot, by three parts in four of the proprietors assembled in General Court, specially convened for that purpose, whereof eight days' previous notice of the time and purpose of such meeting shall be given in *The London Gazette*, or unless, in the case of any military officer, it shall be proved to the satisfaction of the said Court of Directors, and the Board of Commissioners for the affairs of *India*, that such absence was occasioned by sickness or infirmity, or some inevitable accident."

(1) *An officer who has served nine years in India is entitled to two years' furlough. He takes only one year, and after his return remains in India for five years. He is then eligible for two years' furlough, as follows:—*

(2) *An officer who has served 20 years in India without taking furlough is entitled to four years' furlough. He can only take, however, two years at one time carrying pay, the balance remaining at his credit in any future computation of furlough to which he may be entitled. He can take that balance after completing three years' service from the date of his return from the first instalment.*

11. Furlough on urgent private affairs for six months, with pay equivalent to the British regimental pay of his rank, to be extended to a year, if necessary, may be granted, when the officer is not eligible for ordinary furlough. The said period may form part of the periods of either eight or six years referred to in Rule 9.

12. Subject to State considerations, there will be no restriction as to the places to which an officer may resort during furlough.

13. Absence on medical certificate for a longer period than two years at one time, or departure on such furlough within three years of the date of return from a previous furlough, except furlough under Rule 11, will involve forfeiture of the appointment. Such furlough may, however, be extended to a third year on English furlough pay.

In the event of an officer not being able to return to his duty after an absence of three years, it will rest with the Right Honourable the Secretary of State for India in Council to order him to appear before a medical board, with a view to placing him on the Retired List, if entitled to pension, or on the Half-pay List.

Should the circumstances of the case warrant a further extension of leave, it can only be granted without pay.

14. An officer not entitled to furlough, whose health may necessitate his taking it within three years from the date of last return may, under the usual medical certificate, obtain such amount as may be duly certified to be necessary for the restoration of his health, but will only receive English furlough pay, and must vacate any appointment he may be holding.

15. An officer entitled to furlough, whose health may necessitate his absence from India, will be compelled to take leave as furlough under Rule 9, but without forfeiting any passage-money to which he may be entitled under Military Fund Rules, or if a Subaltern, by Regulation when proceeding on medical certificate. Any extension of this furlough beyond the period to which he may be entitled under Rule 9, will be regarded in all respects as furlough on medical certificate. Such extension will not be allowed to take effect until the officer shall have exhausted the entire amount of his available furlough on private affairs. If the aggregate of two years' leave is exceeded, the officer will after that date come under the provisions of Rule 14.

16. The aggregate amount of furlough with pay and retention of appointment, whether on private affairs or on medical certificate, that may be granted to an officer during his service, will be limited to eight years.

17. If taken in India, furlough will be reckoned from the date of the absentee quitting his station to the date of his return thereto; if taken out of India, from the date of the sailing of the vessel in which he may have embarked to the date of his disembarkation in India.

18. Preparatory leave to embark for Europe or elsewhere on furlough will be granted for any period not ordinarily exceeding thirty days. Leave to the same limit, to enable him to rejoin on his return from furlough, will be granted from the date of his disembarkation in India.

19. Furlough allowances shall be payable monthly if payment is taken in India, and quarterly if payment is taken in England.

20. Advances of furlough pay will continue to be made in India to those officers who desire it, for three months from date of embarkation. Payments in continuation will be made in England on the expiration of six months from that date.

21. The last pay certificate issued to each officer who may be granted furlough, whether on private affairs or on medical certificate, will specify the rate of the pay and Staff salary of his last substantive appointment, and the rate to which he will be entitled in Europe in virtue of Rule 5.

22. An officer acting in India for an absentee will be restricted for the entire period of such acting to the half Staff salary of the appointment in which he may be acting, in addition to the full pay of his rank, and the half Staff salary of his own appointment, if he possess one. The Staff salary granted to an acting officer will, however, in no such case be less than Rs. 100 per mensem.

23. The privilege heretofore granted to

military officers of counting the proportion of leave noted in the margin as service for pension, is retained. The periods of service qualifying for pension remain unaltered.

24. In computing the furlough on private affairs to which an officer who has already enjoyed some portion of such furlough will be entitled under these rules, it will be necessary to deduct the total amount of the furlough on private affairs of which he may have availed himself during his service from the total periods to which under Rule 9 he can lay claim. The balance will represent the leave to which he will be entitled on the expiration of not less than three years from his last return to duty.

CHAPTER II.

GENERAL LEAVE ON PRIVATE AFFAIRS AND SICK CERTIFICATE IN INDIA.

25. An officer will be eligible, as at present, to take leave on private affairs or sick certificate in India, for any period not exceeding six months, at the discretion of His Excellency the Commander-in-Chief, or of the Government under which he may be serving. During the entire period of his absence on this account, the officer will be entitled, as at present, to his full pay, and a moiety of his staff salary. Leave taken under this rule will form no part of the eight years' aggregate furlough. If this indulgence should be taken advantage of for a third year consecutively, the officer will lose his staff appointment.

26. Leave on sick certificate for a period exceeding six months, capable of extension, under renewed medical certificate, to a limit of one year, may be granted to any officer who, in the opinion of a medical board, may require it. Leave of this nature, taken after the promulgation of these rules, will be held to constitute a part of the maximum period of eight years' leave of absence to which an officer is entitled in his entire period of service, but will not be regarded as furlough, nor will it affect the intervals entitling to furlough laid down in Rule 9. During this leave the absentee will draw a moiety of his staff salary in addition to the pay of his rank.

27. Short leave, not exceeding three months, on private affairs or sick certificate, may also be taken to sea, on the above condition, but absence from India for any longer period will be treated as furlough.

28. All general leave taken in India counts as part of the leave reckoning against service for pension.

CHAPTER III.

PRIVILEGE LEAVE.

29. Privilege leave may be granted, as at present, for sixty days in each year, to all officers in military employ, without deduction from the salaries and emoluments drawn by them. General leave, in extension of privilege leave, can only be granted on the ground of sickness, or some other serious emergency which could not have been foreseen when the officer proceeded on privilege leave. Privilege leave may, however, be converted into general leave with the sanction of the Commander-in-Chief or the Government.

30. In the case of the stations noted in the margin,* privilege leave may, as at

* Assam, Shillong, Erinpoora, Deolee, Khairwara, Khotra, Bunnoo, Dera Ishmael Khan, Dera Ghazee Khan, Rajanpore, Jacobabad.

Digitized by Google

present, be granted for 90 days to officers of local corps, or of corps which are usually employed in one or other of the districts named.

31. An officer is at liberty to proceed wherever he may desire on privilege leave, provided he can ensure his return before the expiration of his leave.

32. Privilege leave cannot be taken in continuation of furlough, nor can furlough be obtained in continuation of privilege leave. If furlough be obtained by an officer while absent on privilege leave, the privilege leave will be converted into general leave, the officer for that period sacrificing a moiety of his staff salary.

MILITARY OFFICERS IN CIVIL EMPLOY.

33. Military officers in civil or political employ taking leave in India come, as respects periods of leave obtainable and amount of pay to be granted, under the Civil Leave Rules. When they take leave out of India, they come under the Military Leave Rules.

SUBSIDIARY RULE.

34. Officers of the Indian military and medical services will be required generally to notify their intention to accept these rules, or to adhere to those now existing, on the first occasion of their taking furlough or general leave after the publication of this order. Such election must be considered final, and under no plea whatever will an officer be subsequently relieved from the choice thus made. Officers who may determine to abide by existing rules will be allowed to proceed on furlough on the conditions laid down in Rules 7, 8, and 13, to the extent to which they may be entitled under the furlough regulations of 1854, and on the rates of pay contemplated in those regulations, but retaining their appointments. The principle laid down in Rule 15 must, however, be applied in those cases.

If an officer under the Furlough Rules of 1796 elects the present rules, his service for pension will be reckoned under the former rules up to 1st July, 1868, and thenceforward under the rules of 1868.

The foregoing rules will take effect from the 1st July, 1868, as respects retention of appointment, and terms under which leave will be granted, but half staff allowances will not be available for officers now on leave in cases where the acting officer has already come into receipt of the full staff salary. Nor can officers who have vacated appointments which have since been permanently filled up have any claim to be restored to them.

FURLOUGH RULES FOR WARRANT OFFICERS.

It has been decided:— 1st, that the furlough rules of 1868 shall apply to all warrant officers holding veteran or honorary commissions, the period of service qualifying for furlough being calculated from the date of the attainment of the commission. These officers will receive, during furlough, half their total receipts, without any reference to a minimum or maximum rate.

2nd.—That conductors and sub-conductors shall only be entitled to a furlough on sick certificate. Then furlough will be for two years, and half of aggregate Indian allowances will be drawn during that period. Any leave on such certificate not exceeding one year, granted in extension of the two years, or leave taken within less than three years from date of last return to duty, will be on English furlough pay only.

N B.—These rules are equally applicable to warrant officers and those holding the honorary rank of Assistant Surgeons in the Subordinate Medical Department.

MILITARY OFFICERS RETIRING.*

Officers who have served less than three years in India, and have lost their health there, are entitled to an allowance from the Fund of the late Lord Clive, if they shall be adjudged to be proper objects of that bounty, to the extent of :—

Officers, on producing the prescribed medical certificate, countersigned by the commanding officer, that they are compelled to quit the service by wounds received in action, or by ill-health contracted on active service, or on detachment, outpost, or any military duty, in notoriously unhealthy localities, after 3 years' service in India, are permitted to retire on the half-pay of their rank, viz.:—

A lieutenant having served ten, or a second lieutenant, cornet, or ensign, six years in India, may retire on the *half-pay* of his rank, in case his health shall not permit him to serve in India.

Regimental captains, majors, and lieutenant-colonels, whose ill state of health renders it impossible for them to continue to serve in India, are allowed to retire on the half-pay of their rank, viz. :—

FOR THE FORMATION OF THE STAFF CORPS.

VICTORIA R.

WHEREAS it is expedient to provide a body of Officers for Our Service in India, by whom various offices and appointments hitherto held by Officers borne on the strength of the several Corps or Regiments of Our Forces in India shall in future be held; and whereas Our Secretary of State for India in Council has resolved to charge upon the Revenues of India the sum necessary to provide the pay, half-pay, and pensions of such body of Officers on the scale hereinafter contained, Our will and pleasure is that a Corps be formed in each of the Presidencies of Our Indian Dominions, to be denominated the Bengal, Madras, and Bombay Staff Corps respectively, to consist of such Officers as may be required for such employment, and are selected for such purpose by Our Governments in India, with the approbation of Our Secretary of State for India in Council.

The Toilet.

A due attention to the Gifts and Graces of the Person, and a becoming preservation of the advantages of Nature, are of more value and importance, with reference to our health and well-being, than many parties are inclined to suppose. Several of the most attractive portions of the human frame are delicate and fragile in proportion as they are graceful and pleasing; and the due conservation of them is intimately associated with our health and comfort.

The Hair,

for example, from the delicacy of its growth and texture, and its evident sympathy with the emotions of the mind;

The Skin,

with its intimate relation to the most vital of our organs, as those of respiration, circulation, and digestion, together with the delicacy and susceptibility of its own texture; and

The Teeth,

also, from their peculiar structure, formed, as they are, of bone or dentine, and cased with a fibrous investment of enamel: these admirable and highly essential portions of our frames are all to be regarded not merely as objects of external beauty and display, but as having an intimate relation to our health, and the due discharge of the vital functions. The care of them ought never to be entrusted to ignorant or unskilful hands; and it is highly satisfactory to point out, as protectors of these vital portions of our frame, the preparations which have emanated from the laboratories of the Messrs. Rowlands, their unrivalled Macassar for the Hair, their Kalydor for improving and beautifying the Complexion, and their Odonto for the Teeth and Gums.

MILITARY BAND INSTRUMENTS.

RUDALL, ROSE, CARTE, & CO.

(KEY, RUDALL, & CO.),

20, CHARING CROSS LONDON,

(CORNER OF CRAIG'S COURT,)

Manufacturers for Her Majesty's Government of the Patterns for the New Regulation Instruments for the Army, Patentees of the Cylinder Flutes, of the Clarionets without Thumb-hole, the New Brass Instruments, and Open Side Drums, beg to draw attention to their improvements in Flutes, Clarionets, and Brass Instruments, for which the Prize Medal of the International Exhibition, 1862, was awarded to them.

The first improvement consists in a novel arrangement of mechanism, by means of which a superior facility of manipulation is obtained on Boehm's Cylinder Flute, which instrument (patented in England and France by Messrs. RUDALL, ROSE, CARTE, & Co.) was honoured with the Council and Prize Medals of the Exhibitions of 1851 and 1862, and was referred to by the Jurors of 1862 as the universally acknowledged standard of excellence as to tone and intonation in Flutes.

The second improvement referred to in the award consists in securing a facility of fingering certain combinations of notes hitherto not playable, and others of difficult execution, upon the Clarionet, and at the same time strengthening the tone of notes hitherto weak upon this instrument. The old fingering is also retained.

The third improvement is the application to brass instruments of Finger Slides, in lieu of the ordinary Pistons, of great simplicity, forming part of the main tube of the instrument. In these instruments the pistons are altogether done away with, their functions being performed by three slides (acted on by the fingers), which singly and combined give the six positions of the Slide Trombone. Every note of the chromatic scale on these instruments is an open note, as the finger slides are within and form part of the main tube of the instrument, so that the notes are equal in quality. The tone is remarkably rich and free, there is no *change in fingering*, and the action is shorter and lighter than in the instruments of the old *régime*. Not the least of the advantages of this system is the extraordinary lightness of the larger instruments. This system is applied to Cornets, Trumpets, Trombones, Horns, Euphonions, Bombardons, and all valve brass instruments.

KEATING'S COUGH LOZENGES.

THIS UNIVERSAL REMEDY now stands the first in public favour and confidence; this result has been acquired by the test of fifty years' experience. These Lozenges may be found on sale in every British Colony, and throughout India and China they have been highly esteemed wherever introduced. For COUGHS, ASTHMA, and all affections of the Throat and Chest, they are the most agreeable and efficacious remedy; they do not contain opium or any other deleterious drug, and may therefore be taken with perfect safety by the most delicate constitution.

RECENT TESTIMONIAL.

August 23, 1868.

DEAR SIR,—Having tried your Cough Lozenges in India, I have much pleasure in testifying to their beneficial effects in cases of Incipient Consumption, Asthma, and Bronchial affections; so good a medicine ought to be known to be appreciated. I have prescribed it largely, with the best results.

W. B. G.
Apothecary H. M. Indian Medical Service.

To MR. THOMAS KEATING.

Prepared and sold in Boxes, Tins, and Bottles, of various sizes, by THOMAS KEATING, Chemist, &c., 79, St. Paul's Churchyard, London. Sold retail by all Druggists and Patent Medicine Vendors in the World.

KEATING'S CHILDREN'S WORM TABLETS.—A PURELY VEGETABLE SWEETMEAT, both in appearance and taste, furnishing a most agreeable method of administering a well-known remedy for INTESTINAL OR THREAD WORMS.

It is a perfectly safe and mild preparation, and is especially adapted for Children, being as harmless in its action as it is prompt and certain in its effects; and may be taken with impunity by the most delicate constitution.

C. M. HOUSE. West Coast of Africa, Bonny, Oct. 2, 1868.

DEAR SIR,—I am happy to inform you that I purchased a box of your valuable Worm Tablets from Lagos in the month of June, and they have brought no less than ten worms (from 4 to 6 inches in length) from my children, one of them twelve years, and the other 18 months old. I have ordered four boxes for the chiefs, Otto Jambo and Adda Allison.

I remain, dear sir, yours very truly,
WALTER E. L. CAREW.

DEAR SIR,—I gave a packet of your Insect Powder to a bed-ridden patient of mine, who was a martyr to the annoyance of fleas and other abominable insects, which completely destroyed them. The result was gratifying; and you are at liberty to publish this if you please.

Yours faithfully,
JOHN ROBINSON, M.D.

INDIAN
CRIMINAL LAW AND PROCEDURE

(Including the Procedure in the High Courts, and that in the Courts not established by Royal Charter); with Forms of Charges, and Notes on Evidence, illustrated by a large number of English cases and cases decided by the High Courts in India; and an Appendix of selected Acts passed by the Legislative Council relating to Criminal Matters.

By M. H. STARLING, Esq., LL.B.,
Of the Inner Temple, Barrister-at-Law.

In this work the sections of the Penal Code have been arranged in groups, and to each group has been appended a short paragraph containing information collected from the schedule to the Criminal Procedure Code, as amended by the subsequent Acts, respecting the Courts competent to try offenders, the mode of arrest, and the power to take bail. Forms of charges, and the evidence necessary to support them, will also be found in the proper places. The sections of both Codes, relating to punishments, have been collected together, so that the whole law on that subject will be found arranged consecutively in one chapter. The Book on Procedure contains the Criminal Procedure Code and the High Court Procedure Acts, as well as portions of English statutes in force in India, illustrated and elucidated by notes containing the decisions of the High Courts on those sections which have been the subject of judicial notice. This work is thus a complete handbook of law and procedure, which is not the case with any of the works published in either of the Presidencies.

GUNPOWDER.

TRADE

MARK.

MESSRS. JOHN HALL & SON,

FAVERSHAM AND LONDON,

BEG to direct the attention of Officers and Gentlemen resident in the East to the SPORTING GUNPOWDER of their manufacture, which has for many years enjoyed the highest reputation.

THE RIFLE GUNPOWDER

Increases in size of grain from No. 2 upwards, and will be found to posses the utmost strength, cleanness, and rapidity of ignition ; whilst the flasks in which it is packed are expressly secured against the influences of climate.

Sportsmen who prefer a coarse grained powder are recommended to use Messrs. HALL'S Rifle Gunpowder, No. 6 grain.

A cheaper and commoner sort of Messrs. HALL'S manufacture, known as

THE TOWER PROOF GUNPOWDER,

Is also extensively used in the East, and is well adapted for attendants, or for any ordinary purposes.

Periodical supplies are forwarded to the three Presidencies, and to Kurrachee for the North-West Provinces ; also to all the principal ports of Japan, China, Java, and Ceylon ; also to Singapore, Penang, Rangoon, and the Mauritius.

To prevent the frauds to which powder of their manufacture has been exposed, Messrs. HALL have adopted the plan of securing the tops of all their flasks with a metallic capsule, bearing their embossed Trade Mark, which must be destroyed before the contents can be tampered with. If purchasers of Messrs. HALL'S Powder bear this in mind, they may readily detect any attempt to pass upon them a spurious article.
